Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

1. This is a CONDOMINIUM PROJECT, not a subdivision. It does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated as a LIMITED COMMON ELEMENT and not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

2. Disclosure is made that the Project is being sold in "as is, where is" condition. Except as provided in this report, no warranties, expressed or implied, are given to the buyer as to construction, materials or workmanship of the Project.

3. A prospective purchaser of a unit in the Project who wishes to improve or modify his or her residence or change its use, should be aware that he or she will be required to comply with the building codes, land use laws (LUO) and other county laws and ordinances, and the Project Declaration. The LUO, for example, contains restrictions relating to the permissible use of the land, the number of dwelling units permitted, and the amount of total development permitted on the entire Project land area. Before buying a unit in the Project, a prospective purchaser, together with an architect or professional builder is urged to review the Project Declaration, the LUO and all other applicable County ordinances which may affect the Purchaser's use of his or her unit and to review their intended plans with the appropriate County officials.

4. FLOOD HAZARD ZONE AND TSUNAMI INUNDATION AREA. The property is located within the boundaries of a special flood hazard area as officially designated on the Flood Insurance Administration maps promulgated by the appropriate Federal agencies for the purposes of determining eligibility for emergency flood insurance programs. The property is also located within the anticipated tsunami inundation area as designated by the Department of Civil Defense Tsunami Inundation maps. The location of the property within these zones may prohibit the use of the lower/basement areas from being used for dwelling purposes and may also affect the cost of insurance.

5. ACCESS EASEMENT IN FAVOR OF UNIT 55-501A. An non-exclusive access easement consisting of 1,544 sq. ft., more or less, is reserved in favor of Unit 55-501A over a portion of the limited common element area appurtenant to Unit 55-501. The easement is for vehicular and pedestrian access to and from the back parking area for Unit 55-501A and Kamehameha Highway, as shown on the Condominium Map. The prospective buyer of a Unit in the project is advised to carefully review Section C of the Declaration and the Condominium Map regarding the easement.

6. In a condominium, all the land included in the condominium remains a single, un-subdivided parcel of land for purposes of zoning and land use regulations. If one unit owner violates a regulation, the violation is attributable to both that owner and the innocent owner of each other unit. For example, if one owner builds or adds to a structure in a manner which violates height limits, size limit, setbacks, building permit requirements, or flood zone rules, or uses the unit for an unauthorized additional dwelling or short term rental, the violation applies to the entire condominium and the innocent unit owner may be subject to fines or may be denied a building permit as long as the violation remains uncured.
PURCHASER SHOULD CONSULT WITH AN ATTORNEY CONCERNING THESE IMPORTANT RISKS.

7. The Project's Association of Unit Owners and Board of Directors are responsible for management of the Project. Under the Declaration and Bylaws for this Project, any decision of the Project's Association or Board requires the concurrence of both Owners. The Declaration and Bylaws contain no provisions for breaking deadlocks. In the event of conflicts, disputes or deadlocks between the Owners that cannot be resolved by mutual agreement, the Owners' recourse will be mediation pursuant to Section O of the Declaration and Section 514B-161 of the Condominium Property Act, arbitration pursuant to Section 514B-162 of the Condominium Property Act, or litigation in court. Those methods of dispute resolution can be costly and time-consuming.

8. Disclosure is made that a portion of the front yard area appurtenant to Unit 55-501A has been filled.

9. Disclosure is made that the property is located on Kamehameha Highway and there may be additional noise and dust due to the proximity of the Units to the main highway. There may also be additional traffic (vehicular and pedestrian) on Kamehameha Highway which may, at times, affect access to and from the property.

10. This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING. EACH BUYER IS ALSO ADVISED TO CONTACT THE APPROPRIATE GOVERNMENT AGENCIES TO DETERMINE WHETHER THERE ARE SPECIFIC REQUIREMENTS FOR THIS PROPERTY. BUYERS ARE ALSO ADVISED TO CONSULT WITH THEIR OWN ATTORNEY AND OTHER APPROPRIATE PROFESSIONALS REGARDING THE PROJECT.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input type="checkbox"/>	<p>Spatial Units. The Developer hereby declares by checking the box to the left that it is offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.</p> <p>Should the developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to met certain requirements, described below in 5.6.1 or 5.6.2..</p>
--------------------------	---

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
--------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

HAZARDOUS MATERIALS: The developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the units or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the units, or in, under or around the Project, and Buyer should have the unit inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the Units or the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

LEAD WARNING STATEMENT: Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

MANAGEMENT OF PROJECT. The Project's Association of Unit Owners and Board of Directors are responsible for the management of the Project. Under the Project's Declaration and By-Laws, each Owner must attend Association and Board meetings in order to establish a quorum, and any decision of the Association or the Board requires the concurrence of both Owners or their designated representatives, respectively.

UNIT 55-501A: DISCLOSURE RE: NON SELECTION OF REAL ESTATE BROKER. The Developer has not executed a listing agreement for the sale of UNIT 55-501A with any duly licensed Hawaii real estate broker. Thus, the Developer cannot offer to sell or sell Unit 55-501A until: (1) Developer executes a listing agreement for the sale of this Unit, (2) amends this Developer's Public Report to reflect the new listing information for Unit 55-501A, and (3) delivers this Public Report and amendment to the prospective purchaser for Unit 55-501A. The conditions for a binding sales contract are listed on pages 17-18, paragraph 5.8.1.

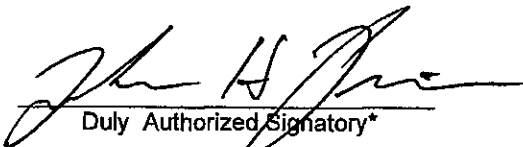

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. Section A.1 of the Declaration states that the project consists of two (2) separate detached buildings, each building of which contains one (1) unit. The units are designated on the Condominium Map as "Unit 55-501" and "Unit 55-501A".

Two (2) separate and distinct freehold estates, deemed to include the entire structure and all improvements located therein, are bounded by and including the decorated or finished surfaces of the exterior of the perimeter walls, including all exterior doors and windows, by the exterior surfaces of the respective roofs thereof, and inclusive of the floor and ceiling of each of the buildings in the Project, together with any entries, porches, steps, stairs, walkways, lanais, decks, laundry areas, carports, or other improvements physically attached to the building.

(a) Unit 55-501A contains two stories in which there is a Living Room, a Great Room, a Dining area, a Kitchen, four (4) Bedrooms, four (4) Baths, a Study, a Laundry Room, and a Garage located on the Upper Level as shown on the Condominium Map. The Upper Level contains a net living area of approximately 3,018 square feet. The Garage contains an area of 588 square feet and the Deck consists of 356 square feet. The Basement Level consists of a covered area consisting of 2,777 square feet.

(b) Unit 55-501 contains two-stories in which there are (3) three Bedrooms, one (1) Bath, a Kitchen, a Living Room, a Dining Room, a Laundry Room and a Deck on the Upper Level as shown on the Condominium Map. Each Unit shall also include all pipes, wires, conduits, and other utility and service lines contained wholly within such Unit and which are utilized exclusively by and serve only such Unit.

EXHIBIT A

PERMITTED ALTERATIONS TO THE UNITS

Section L of the Declaration provides that no work shall be done to the Units, the limited common elements appurtenant thereto, or any other part of the Project, by any owner of a Unit or any other person, which could jeopardize the soundness or safety of the Project, reduce the value thereof, impair any easement, as reasonably determined by the Board. Notwithstanding the foregoing, except as otherwise provided by law, all additions to or alterations of any Unit or its appurtenant limited common elements by the owner of such Unit shall be permitted without restriction and without the consent of any other Unit owner, provided that the alteration or addition shall not affect the other Unit or limited common elements appurtenant thereto, and the owner or other person making such additions or alterations shall comply strictly with all applicable laws, ordinances, rules and regulations of any governmental entity, and shall also obtain all necessary permits, at such owner or person's sole expense.

In addition to the foregoing limitations, no owner shall also be allowed, without the express written consent of the other owners, to construct any addition, improvement or alteration which would cause his or her Unit to exceed the proportionate share of the maximum allowable floor area and/or buildable area for the lot. Said proportionate share shall be equal to the maximum floor area for the lot multiplied by the percentage of common interest in the Project appurtenant to such Unit as defined in Section B of the Declaration.

EXHIBIT B

The limited common elements shall be appurtenant to each of the Units as follows:

(a) That certain 11,736 square feet, more or less, of the real property of the Project which includes the real property upon which Unit 55-501 is situated, as shown on said Condominium Map, inclusive of the airspace located above such area, and also inclusive of all walls, fences, sidewalks, paved and concrete areas, yard or landscaped areas, and driveways and parking areas located within said area, shall constitute a limited common element appurtenant to and for the exclusive use of said Unit; but subject to that certain "Access Easement for Unit 55-501A," as described in Section C of the Declaration.

Dear Ms. Abara:

Subject: Condominium Conversion Project
55-501 Kamehameha Highway
Tax Map Key: 5-5-011: 006

This is in response to your letter dated December 16, 2011, requesting verification that the structures on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the two-story single-family detached dwelling with six all-weather-surface off-street parking spaces met all applicable code requirements when it was constructed in 2005 on this 23,464-square-foot R-5 Residential-District-zoned lot.

Investigation also revealed the following:

1. On May 23, 2011, Building Permit No. 671862 was issued for relocation and addition/alteration to a two-story single-family detached dwelling with two all-weather-surface off-street parking spaces. This permit is still active.
2. On September 29, 2006, a subdivision (File No. 2006/SUB-237) was accepted for the designation of a public utility easement (for an underground 2kV power line in favor of HECO) affecting Lot 50 as shown on Map 1 of Land Court Application 772 and a portion of R.P. 7494, L.C. Aw. 8559-B, Ap. 35 to W.C. Lunalilo.

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Alex Sugai of our Commercial and Multi-Family Code Enforcement Branch at 768-8152.

Very truly yours,

In addition, at anytime prior to the first recording in the Bureau of Conveyances and/or in the Office of the Assistant Registrar of the Land Court, State of Hawaii, as the case may be of a conveyance or transfer of a Unit in the Project to any person other than the Developer, the Developer may amend this Declaration, and any of the Exhibits hereto, the By-Laws, and/or the Condominium Map in any manner, without the consent of any purchaser or any other party. No amendment to this Declaration and/or the By-Laws which adversely impacts or negates, or attempts to negate any of the rights reserved by the Developer shall be valid without the expressed written consent of the Developer, or Developer's respective successors and permitted assigns, and contained in said amendment.

The owner of a Unit in the Project and any party acquiring an interest in a Unit in the Project, including without limitation any mortgagee or lien holder, by such acquisition consents to any such assignment by the Developer. Where the Developer herein named or as rightfully assigned consists of more than one individual, the conveyance of any interest of one of the Developers individually or by less than all of the Developers without such assignment of the reserved rights shall not affect the ability or rights of any of the remaining Developer or Developers from acting on or exercising the rights reserved thereunto.

2. Time is of the Essence/Default. Time is of the essence and the closing date may not be extended without Buyer and Seller agreeing in writing. In the event Buyer fails to perform Buyer's obligations under the Sales Contract, Seller may terminate the Sales Contract and (a) bring an action for damages for breach of contract, or (b) retain the initial deposit and all additional deposits provided by Buyer as liquidated damages, and the Buyer shall be responsible for any costs incurred in accordance with the Sales Contract.
3. Conversion of Existing Building; No Warranties. Buyer is aware, agrees and affirms that the Project consists of the conversion of two dwellings into condominium units pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes. Based on the letter dated November 8, 2012, issued by the Department of Planning and Permitting, City and County of Honolulu, State of Hawaii ("DPP") the two-story single-family detached dwelling constructed in 2005 (Unit 55-501A) and the two-story single-family detached dwelling relocated and altered in 2011 (Unit 55-501), met all applicable code requirements at the time of construction. Subject to the penalties of Section 514B-69(b), Hawaii Revised Statutes, Developer certifies that the Project is in compliance with all zoning and building ordinances and codes and all other permitting requirements adopted by the City and County of Honolulu. Based on the DPP letter referenced above, no variances or special permits have been granted for the property.

It is expressly understood and agreed by and between Seller and Buyer that EXCEPT AS PROVIDED IN THIS DEVELOPER'S PUBLIC REPORT, SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE UNIT, THE PROJECT, INCLUDING THE COMMON OR LIMITED COMMON ELEMENTS, OR CONSUMER PRODUCTS OR ANYTHING ELSE INSTALLED IN THE UNIT OR IN THE PROJECT, INCLUDING BUT NOT LIMITED TO: A) ANY IMPLIED WARRANTY OF MERCHANTABILITY, HABITABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE; B) THE WORKMANLIKE CONSTRUCTION, STRUCTURAL SOUNDNESS, CONDITION OR STATE OF REPAIR, OPERATING ORDER, SAFETY, LIVABILITY OF ANY IMPROVEMENT IN OR WITHIN THE PROJECT; AND C) WHETHER THE PROJECT, THE UNITS, OR ANY OF THE IMPROVEMENTS MEET THE REQUIREMENTS OF ANY BUILDING, ZONING, LAND USE, SET BACK, HEALTH OR OTHER LAW, ORDINANCE, OR RULE OR REGULATION WHICH MAY BE APPLICABLE TO THE PROJECT.

4. Existing AAs Is@ Condition. Buyer agrees the Unit is being purchased in its "AS IS" condition, without any warranties or representations, expressed or implied, except as provided in this Public Report. Buyer acknowledges that Buyer will be given an opportunity to inspect the Unit and by closing on the sale of the Unit, Buyer accepts the Unit in its "AS IS" condition as provided for herein, and agrees and covenants to give up, waive and relinquish any and all rights to assert any claim, demand, proceeding or lawsuit of any kind against Seller or Seller's real estate agents with respect to the condition of the property.

5. Reserved Rights and Restrictions Regarding Alteration of the Units. Section L of the Declaration provides that no work shall be done to the Units, the limited common elements appurtenant thereto, or any other part of the Project, by any owner of a Unit or any other person, which could jeopardize the soundness or safety of the Project, reduce the value thereof, impair any easement, as reasonably determined by the Board. Notwithstanding the foregoing, except as otherwise provided by law, all additions to or alterations of any Unit or its appurtenant limited common elements by the owner of such Unit shall be permitted without restriction, provided that the alteration or addition shall not affect the other Unit or limited common elements appurtenant thereto, and the owner or other person making such additions or alterations shall comply strictly with all applicable laws, ordinances, rules and regulations of any governmental entity, and shall also obtain all necessary permits, at such owner or person's sole expense.

EXCEPT AS PROVIDED IN THIS DEVELOPER'S PUBLIC REPORT, SELLER MAKES NO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO BUYER'S ABILITY TO USE THE UNIT FOR ANY PARTICULAR PURPOSE. IF BUYER INTENDS TO IMPROVE OR MODIFY THE EXISTING UNIT, BUYER WILL BE REQUIRED TO COMPLY WITH ALL APPLICABLE BUILDING AND ZONING CODES, LAND USE LAWS, AND OTHER COUNTY LAWS AND ORDINANCE. BUYER IS URGED TO CAREFULLY REVIEW THE LAND USE LAWS, AND ALL OTHER APPLICABLE COUNTY ORDINANCES AND REGULATIONS WHICH MAY AFFECT THE UNIT, WITH BUYER'S ARCHITECT, PROFESSIONAL BUILDER, OR OTHER PROFESSIONAL CONSULTANT, TO DETERMINE WHETHER THE LAND USE LAWS AND ALL OTHER APPLICABLE COUNTY ORDINANCES MAY AFFECT BUYER'S INTENDED USE OF THE UNIT.

6. Mediation And Arbitration. If any dispute or claim in law or equity arises out of this Agreement, and Buyer and Seller are unable to resolve the dispute themselves, Buyer and Seller agree in good faith to attempt to settle such dispute or claim by mediation under the Commercial Mediation rules of the American Arbitration Association. If such mediation is not successful in resolving such dispute or claim, then such dispute or claim shall be decided by a neutral binding arbitration before a single arbitrator in accordance with the Commercial Arbitration rules of the American Arbitration Association. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The arbitrator may award reasonable attorney's fees and costs to the prevailing party.
7. Disclosures Applicable to New Home or Dwelling with New Construction. Buyer is made aware of the following: CHAPTER 672E OF THE HAWAII REVISED STATUTES CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED YOUR HOME OR FACILITY. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. As and when Developer shall enter into a sales contract for the sale of a unit, Developer shall deliver a fully-executed copy of such sales contract to Escrow. Each sales contract shall contain the correct names and addresses of the purchasers, shall require that all payments to be made thereunder shall be made to Escrow and shall be accompanied by the initial deposit required thereunder.
2. Disbursement of Purchaser's Funds. If Purchaser deposits are to be released prior to Closing or if Units are conveyed or leased prior to completion of construction, Developer shall certify to Escrow in writing and to Escrow's satisfaction that Developer has complied with all of the requirements of HRS §514B-92 or §514B-93, as applicable.
3. Cancellation or Rescission of Sales Contract. Unless otherwise provided in the Escrow Agreement, each Purchaser shall be entitled to a return of funds deposited by such Purchaser with Escrow, and Escrow shall pay such funds to such Purchaser, with interest to the extent provided in the Sales Contract, if any one of the following occurs: (a) Developer and such Purchaser shall instruct Escrow in writing to return such funds to such Purchaser; or (b) Developer shall notify Escrow in writing of Developer's exercise of the option to cancel or rescind the Sales Contract entered into by such Purchaser pursuant to any right of cancellation or rescission provided for therein or otherwise available to Developer with respect to which, in accordance with the Sales Contract, such Purchaser is entitled to a return of funds deposited by it with Escrow; or (c) Such Purchaser has exercised such Purchaser's right to cancel the Sales Contract pursuant to Section 514B-86 of the Act (i.e., thirty-day right to cancel) or, if applicable, Section 514B-89 of the Act (i.e., failure to complete construction before specified completion deadline), and notified Escrow in writing of such exercise. (d) Such Purchaser has exercised such Purchaser's right to rescind the Sales Contract pursuant to Section 514B-87 of the Act and notified Escrow in writing of such exercise.

Upon the occurrence of any event described in Sections 7.1(a) or 7.1(b) of the Escrow Agreement, or upon receipt of a written request for a refund from any Purchaser upon the occurrence of any event described in Sections 7.1(c) or 7.1(d) of the Escrow Agreement, and unless such Purchaser has waived or has been deemed to have waived such Purchaser's right to a refund, Escrow shall deliver to such Purchaser all funds received from such Purchaser, less Purchaser's share (if any) of any Cancellation Fee charged by Escrow pursuant to Section 3.3 of the Escrow Agreement. Upon such payment, said Sales Contract shall be deemed cancelled and any partially executed Conveyance Documents (as hereinafter defined) theretofore delivered to Escrow shall be returned to Developer; provided, however, that no refund shall be made to any Purchaser at such Purchaser's request prior to receipt by Developer of written notice from Escrow of Escrow's intention to make such refund.
